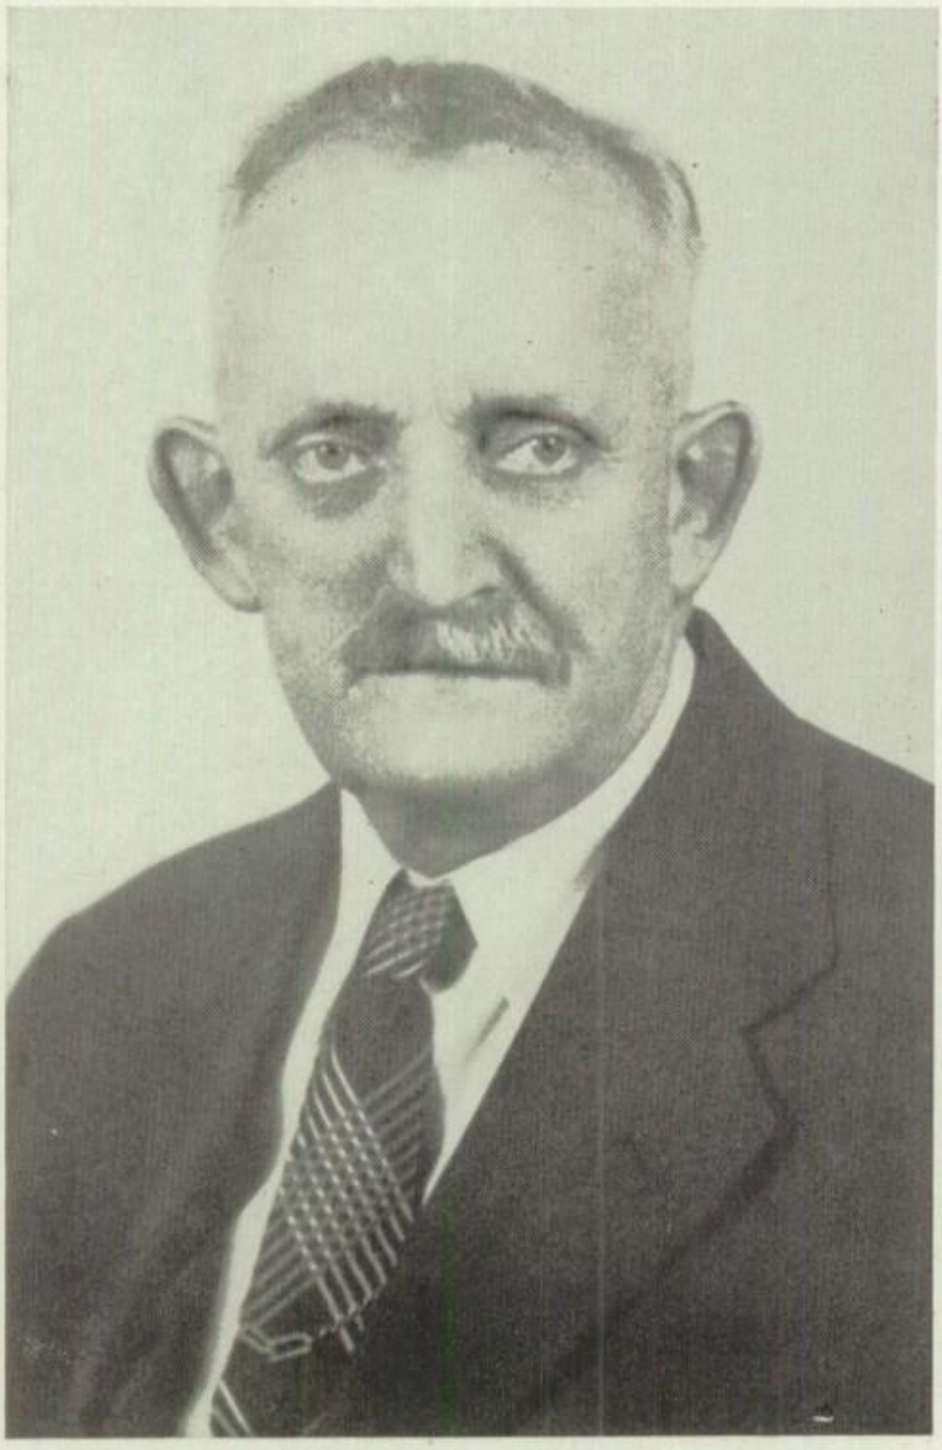
Dedication . . .



ALBERT WEAVERS

The Senior Class of 1947 dedicates this book to Albert Weavers, a former janitor at Grand Haven High School. We shall always remember him for his willingness to help us, his obliging manner in granting us favors, and his loyalty to our school.

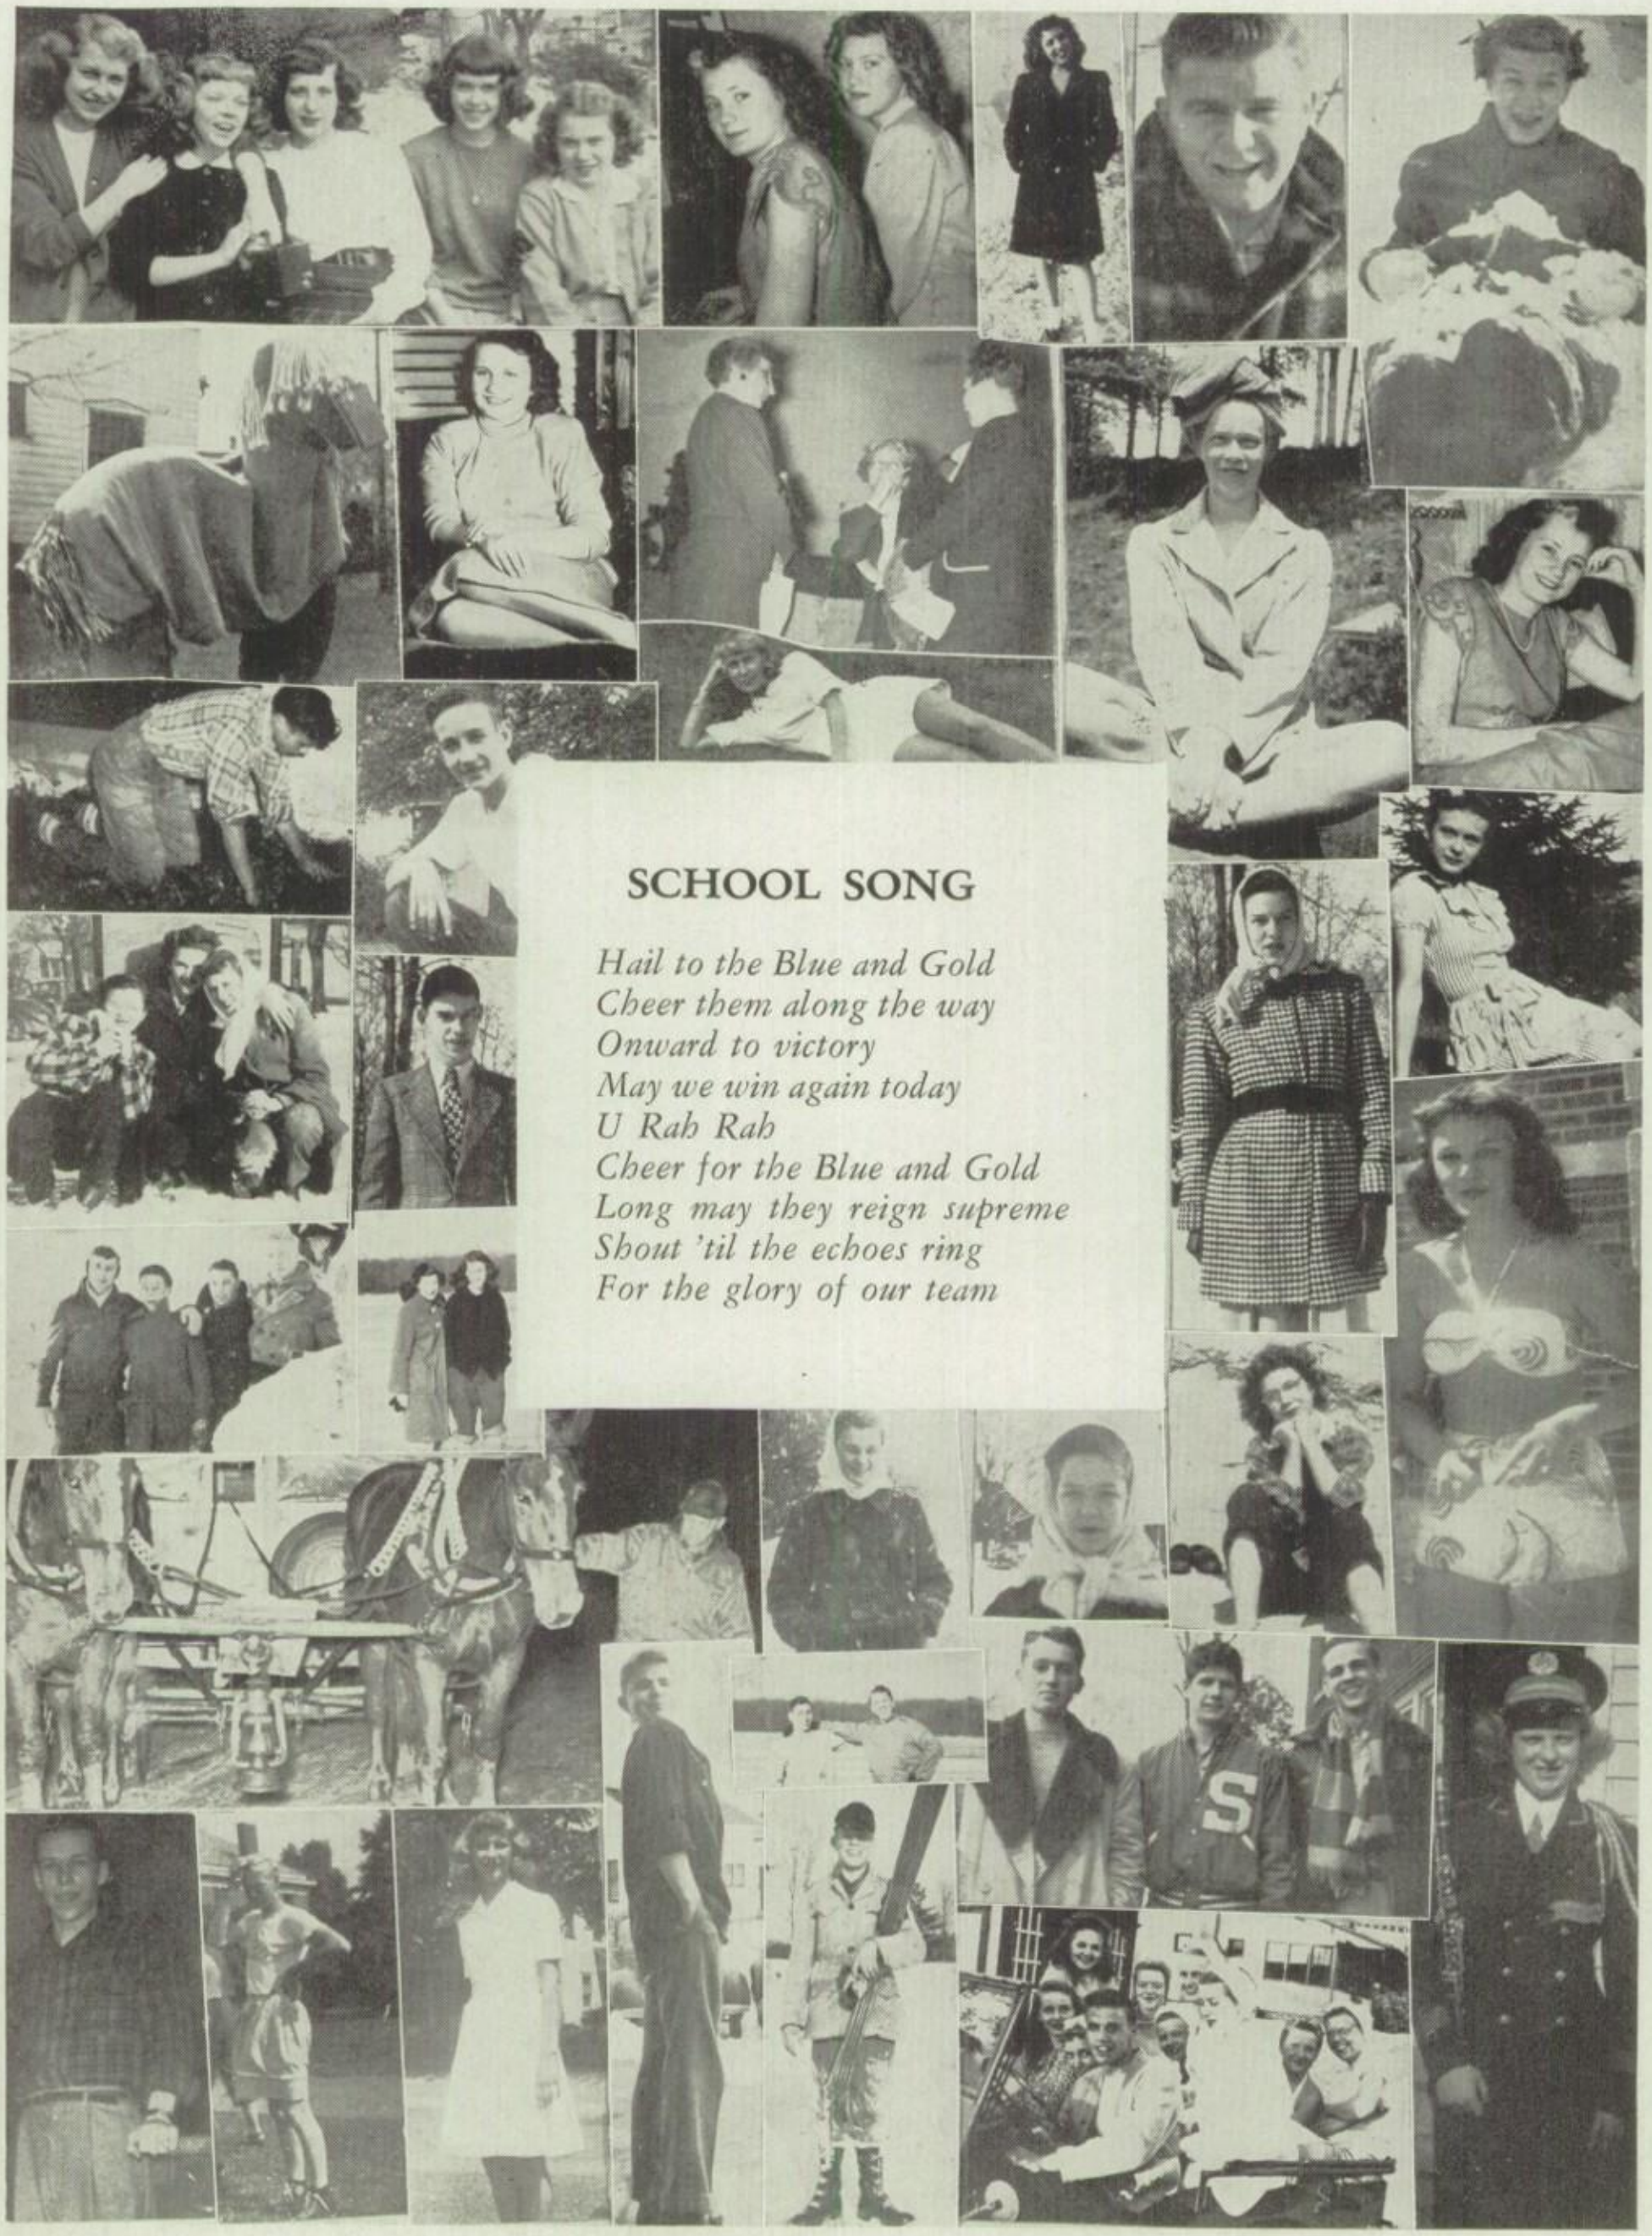
Mr. Weavers resigned from his duties as a janitor after having served the school in that capacity for twenty-eight years. He endeared himself to the students and those he came in contact with by being so friendly and cheerful. He usually had an amusing little story to tell his friends and acquaintances that could brighten up any dull moment. He helped us with our Saturday Nite Club and innumerable other projects.

"Bert," as all of us fondly address him, was a true friend of the students. We can think of no one to whom we would rather dedicate our 1947 Blue and Gold. Our hats are off to you, Bert.

In Appreciation . . .

MILFORD WHITE, HUGO WALTER, HENRY GROTERS

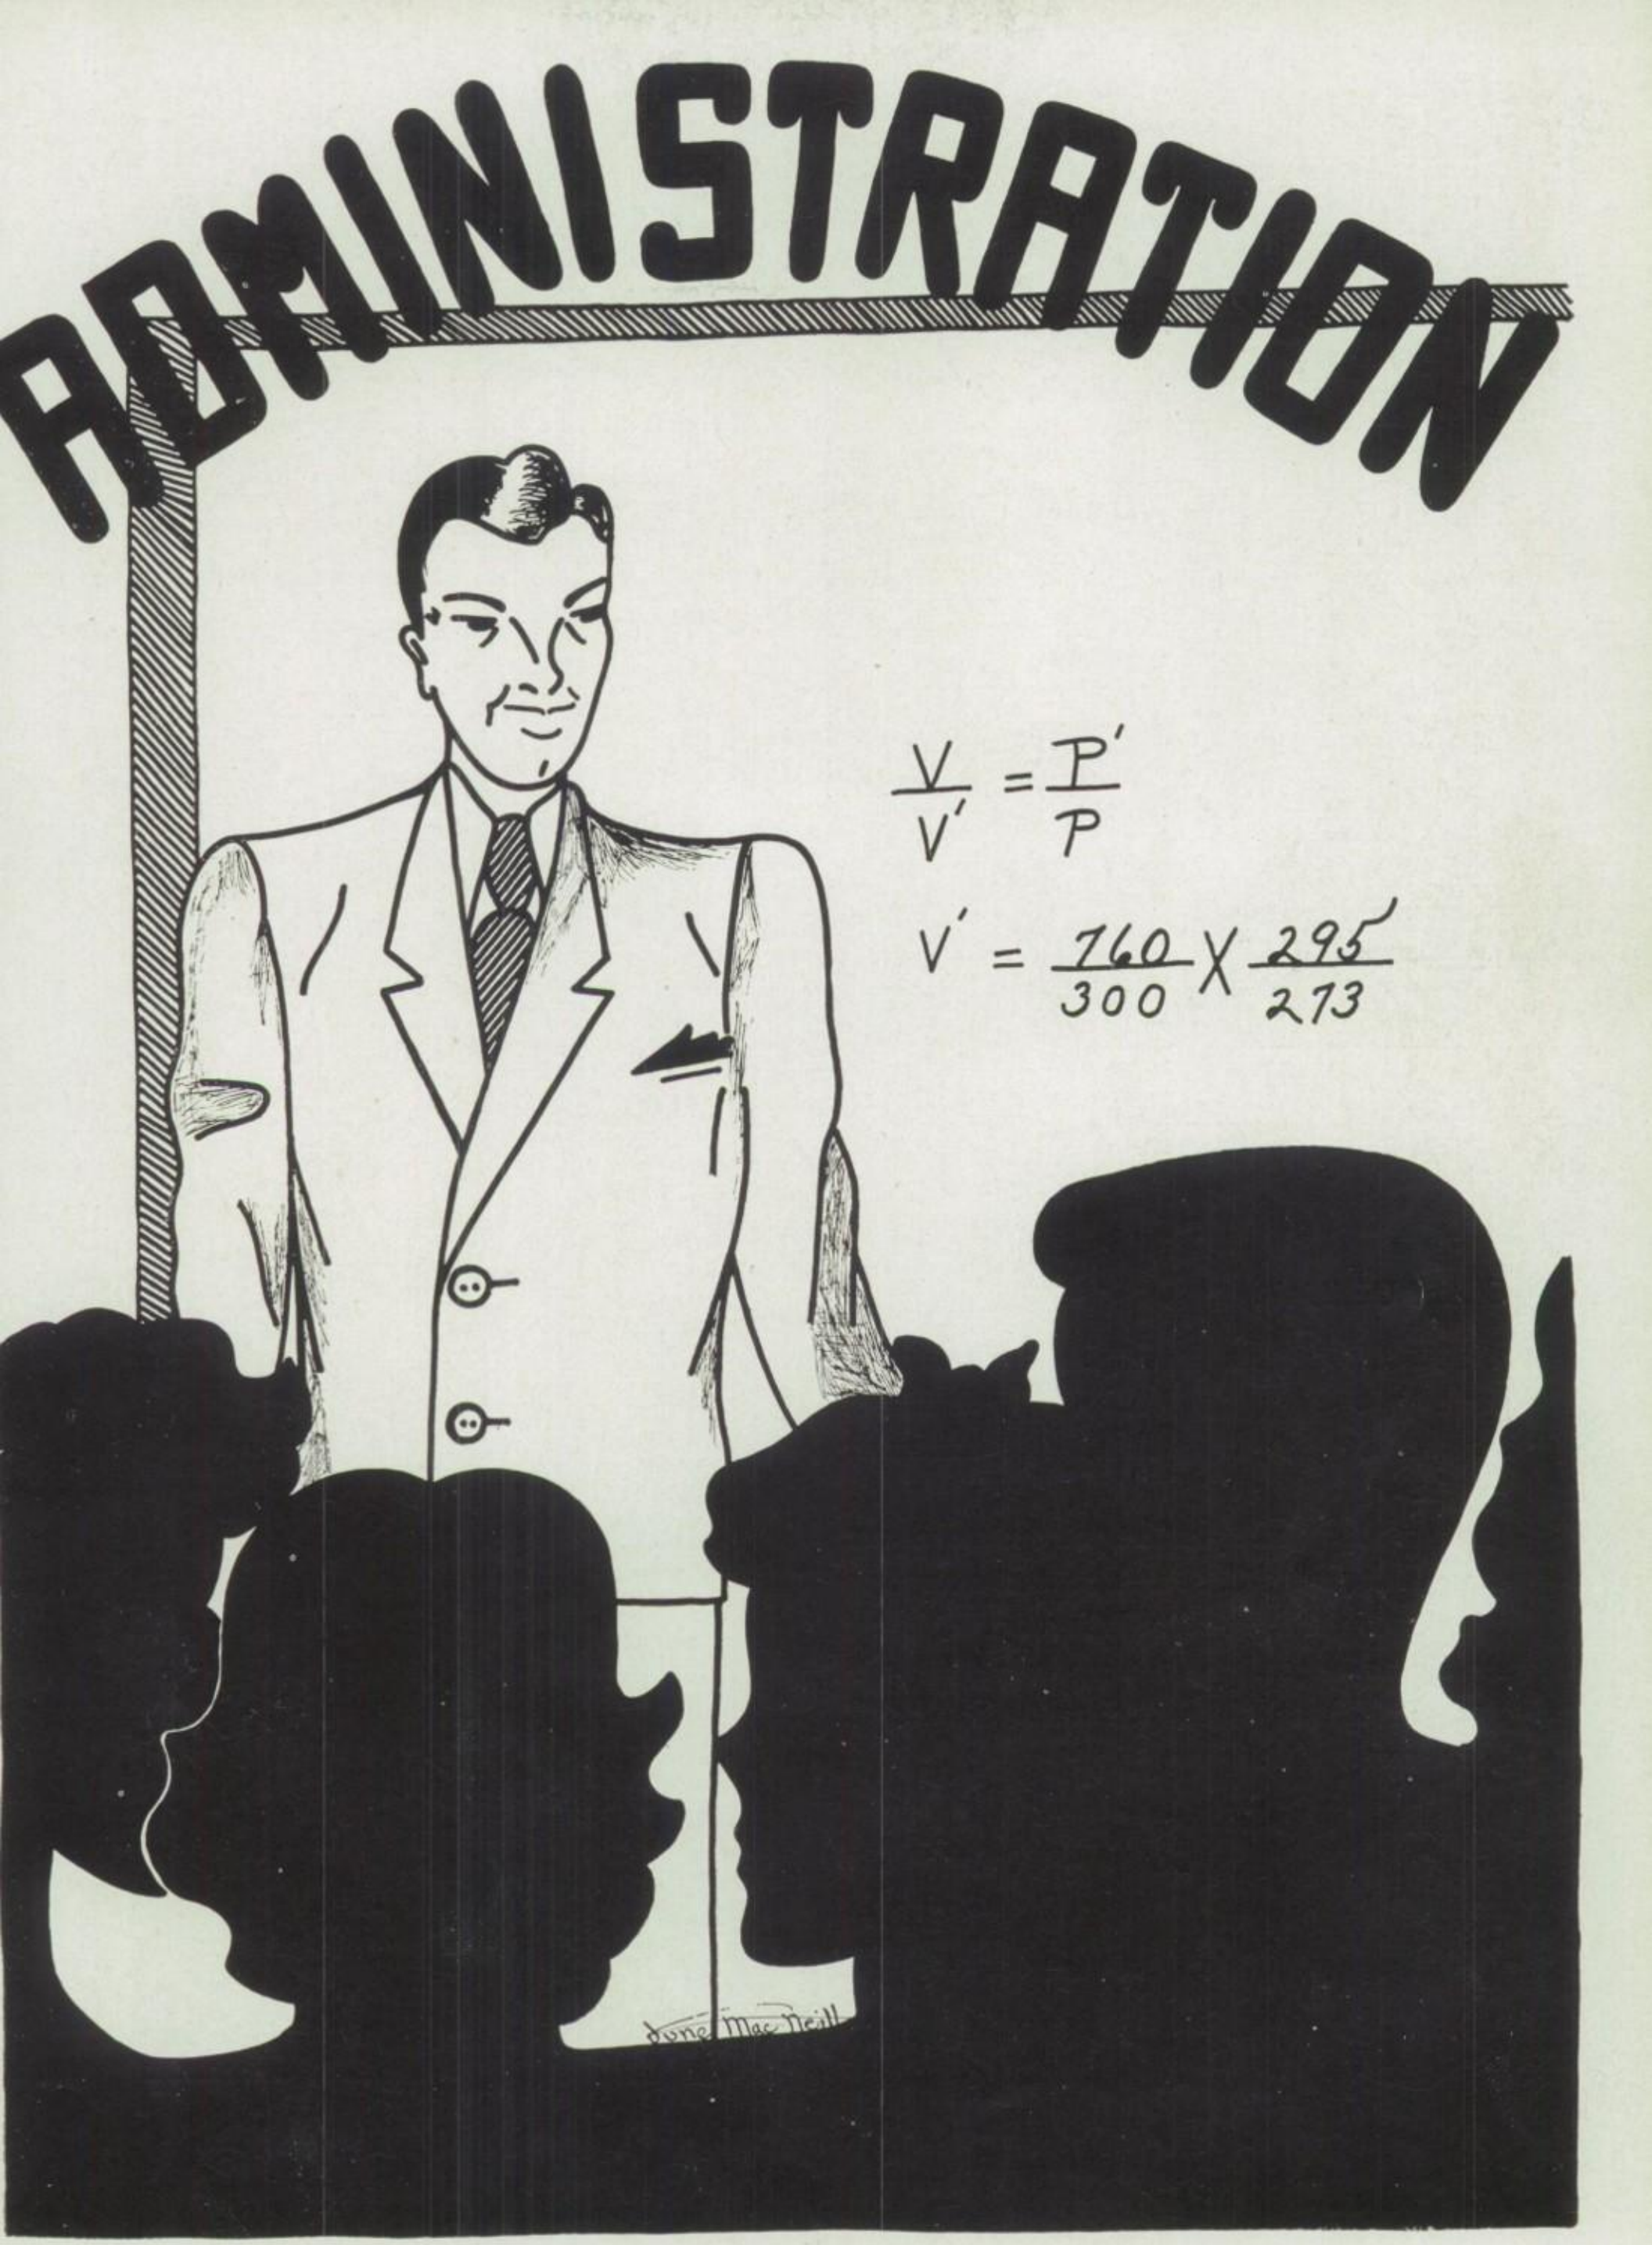
For being so friendly and kind to all the students, for being so willing to help us out around school, and for keeping our school in tip-top condition for us to use, we express our deep appreciation to the janitors of Grand Haven High School.



SCHOOL SONG

Hail to the Blue and Gold
Cheer them along the way
Onward to victory
May we win again today
U Rah Rah
Cheer for the Blue and Gold
Long may they reign supreme
Shout 'til the echoes ring
For the glory of our team

ADMINISTRATION



$$\frac{V}{V'} = \frac{P'}{P}$$

$$V' = \frac{760}{300} \times \frac{295}{273}$$

TO THE STUDENT BODY:

Are you prepared and ready to become "citizens of one world"? How you live, what you think, what attitudes you build into the framework of your lives, as well as your whole outlook, will determine the kind of a world we shall have tomorrow.

EARL H. BABCOCK
Superintendent

CLASS OF 1947:

The task of your generation is to maintain peace. World peace is not a thing to be fought for and then forgotten. It must be constantly sought.

No matter where you live you can make your contribution to this end. You can resolve to reject hatred and prejudice in favor of logic and intelligent judgment in dealing with other peoples. In this task our generation has failed. Yours must succeed.

Sincerely yours,
GLENN H. OLSEN,
Principal

CLASS HISTORY

"You can always tell a freshman by his vacant stare."
"You can always tell a sophomore by the silly things he'll wear."
"You can always tell a junior by his silly strut and such."
"You can always tell a senior, but you can't tell him much."

Looking back over the last four years we see that this poem is so true. Weren't we green "frosh" though? It took much to show us that we did like high school. We chose as our freshman class officers: President, Jack Paterek; Vice-President, Martin Rothi; Secretary, Mary Harbeck; and Treasurer, Jack Westerhof.

We sold frost-bites at the Junior Play and made a collection of waste paper during the winter and spring months.

As "sophs" we really did think ourselves something. We were the peppiest sophomore class that has ever wandered through these great halls. At the class meeting, Jack Paterek was again chosen President; Bob Mersereau was chosen Vice President; Julius Resner, Secretary; and Kenneth De Witt, Treasurer. We were prominent in many school activities and participated in sports. Our greatest ambition was to become upper classmen.

At last we were juniors. Jack Paterek won home place again as President of our class; Don Ducey, Vice-President; Helen Van Burgel, Secretary; and Jack Mead, Treasurer. Giving the Junior Play and the Junior-Senior Prom was a great deal of work, but a lot of fun too. "Junior Miss," our successful comedy, won us much praise. Our Prom proved a big affair with a grand turn-out. We also helped a lot with Saturday Nite Club.

Seniors! Can we believe it? Jack Patrek took his fourth term as President; Ken DeWitt, Vice-President; Bob Mersereau, Secretary; and Harold Krause, Treasurer. We made our last year a grand and glorious one — our Senior Play, "Nothing But The Truth," was a huge success. A good time was had by all on our skip-day — our annual will go down in history — the juniors gave us a "never-to-be-forgotten" Prom — and the solemn graduation exercises drew our four hectic years to a close.

We, the class of June 5, 1947, (a date we thought would never come) regretfully leave Grand Haven High School. We leave behind us the four most precious years of our lives, and we also leave happy, never-to-be-repeated, good times, and many friends. But we take with us knowledge and character that will help us make our place in the world, and best of all we take fond memories which we will forever cherish.

ADELAIDE STAP

BLUE AND GOLD

The Blue and Gold staff's chief concern this year was, of course, the publishing of the annual. Lots of time and effort were put forth to get the yearbook to press on time, but we waded through all our difficulties and managed to make the deadline.

Besides getting out the Blue and Gold, however, the annual board put on an assembly on February 12 to launch the subscription drive for the annual. We also sponsored a paper drive on Saturday, April 26, which helped us earn a little money which could be used to help pay for the annuals.

We hope we have given you a Blue and Gold that you'll always remember.

SATURDAY NITE CLUB

This makes Saturday Nite Club's 4th successful year. Its success is due to the cooperation of the students, teachers, and the janitors, and their willingness to work.

Vernon Kline and Gordon Hansen were co-chairmen of Saturday Nite Club. There was also a permanent chairman for every committee, but it would be impossible to name all the people that gave their time and energy toward making this such a successful organization.

Mr. Thoma, who is responsible for our having a Saturday Nite Club, and the permanent committee purchased a new coke cooler, a new pop-corn machine, and twenty-five new card tables this past year. Grand Haven Sanitary Dairy loaned the organization a new ice-cream cooler.

Mr. Merwin organized a twelve-piece dance band which played every other Saturday night. The juke-box furnished music on the remaining Saturday nights. The attendance at the "club" did not drop under two hundred and fifty every week.

The students thank the janitors and the teachers, without whose help the "club" could not function. The janitors have helped with the clean-up job and each teacher chaperoned two nights at Saturday Nite Club during each semester.

GIRL'S ATHLETIC ASSOCIATION

President - - - - - - - - - Ruth Wilson
Secretary-Treasurer - - - - - - - Ann Resner
Advisor - - - - - - - Miss Mary K. Babcock

The Girls' Athletic Association started off its new year with a new teacher advisor, Miss Babcock. Having such a large membership caused some trouble in arranging our Wednesday games so that everyone could participate, but we used what facilities we had and did our best to play as much and as long as possible.

After the informal initiation in September, which, incidentally, provided us with a great deal of fun, the formal initiation solemnized the membership of a large new group of girls.

Seated (left to right): Harriet McCall, Barb Wipperfurth, Mary Burr, Mary Jo Pellegrom, Annette Fisher, Muriel Jacobson, Arlene Swart, Nancy Dornbos, Muriel Murphy.
Standing (left to right): Eileen Wray, Nancy Presley, Delores Snyder, Angeline Visser, Maxine Vaxter, Delores Peel, Ann Gieseking, Mary Ann Kubi, Lois Kutchke, Barb McCall, Luella Gaul, Donna Terrill, Pat Snell, Frances Susterich.

GIRL'S ATHLETIC ASSOCIATION

The basketball tournament proved to be the most exciting event throughout the year and added to this were newcomb, volley ball, soccer, tennis, and bowling contests.

Aside from the sports angle we sponsored a pep assembly and sold paddle pops at basketball games as a means of raising money for awards, a party, and our pages in the Blue and Gold.

On April 18 the Grand Haven G. A. A. was invited to Holland as guests of the Holland High School G. A. A. Tournaments between the two organizations were held in the afternoon and a potluck supper was planned that evening. At night a dance was held in honor of the Grand Haven girls. This is the first year that anything like this has been planned for the two schools but it is hoped that we will be able to invite the Holland G. A. A. here next year and make it an annual affair.

Seated (left to right): Advisor, Miss M. Young, Arlene Cook, Bob Mersereau, Larry Minuth, Marlys Pierson, Glen Ringleberg, June Mac Neill.

SPEECH CLUB

We started the year with a capacity membership of 45, and a new assistant advisor, Miss Pat Haskin. Our social activities consisted of a Christmas party, a sleigh ride and a jaunt to Grand Rapids to see a play. But all was not fun and loafing. We sponsored an assembly and helped the choir with their operetta, taking charge of the scenery, properties, and make-up.

Boys belonging to this club gain experience in handling and caring for guns, safety habits, and marksmanship ability.

The main activity of members is firing rifle courses prescribed by National Rifle Association; the parent organization with which the club is affiliated. Most members are able to gain an N. R. A. rating of Sharpshooter, but very few manage to make Expert Riffleman.

Bob Beckett, Martin Roth and Vernon Kline joined this select group by making Expert this year. There is only one shooting honor that is higher than Expert Rifleman and the Rifle Club is very proud of Felix Pytlinske who has earned the absolute top rating of Distinguished Rifleman.

The Senior Play couldn't have been the success it was without the hard working staff. The make-up crew used everything they had and really did a wonderful job with the cast and were always standing by for repairs. The advertising crew worked hard and their results were evident both nights.

THE BAND

Bannister Merwin

The High School Band with 74 musicians started out a busy year by playing for six football games, including their trip to Ionia with the football team. The band was also invited to play at the half of a Western Michigan College of Education football game at Kalamazoo.

The band marched in the Hallowe'en parade, and played for the Community Chest Rally. A recording was made for a transcribed broadcast over WKBZ Muskegon in November. The band played for a Ottawa County Teachers' Institute here in Grand Haven, and throughout the year played in pep assemblies, and put on its own assembly. The band presented Mid-Winter and Spring band concerts.

In March the band took part in the Ottawa County Band Festival in Holland, and the Solo and Ensemble Contest in Fremont. Later that month the musicians went to the District Band and Orchestra Festival in Grand Rapids

The band journeyed to Ann Arbor for the State Solo and Ensemble contest, and the State Band and Orchestra Festival in April.

The band finished up the year by taking part in the Holland Tulip Festival and the Memorial Day Parade.

CHOIR

The choir realized its plan of many years, that of putting on an operetta. Under the direction of Palmer Quackenbush ,the operetta, "Waltz Dream," was presented in May. Miss Marjory Young coached all those who had speaking parts. Presenting the operetta took many weeks of hard preparation but we felt well rewarded in the end by having it judged as tops in entertainment and quality.

Besides presenting the operetta, we took part in numerous chapel services, gave two assemblies and presented programs for the Presbyterian Women's Missionary Society, the Kiwanis, and the Tuesday Musicale.

We are still looking forward to getting our new robes. Toward the end of the year we sponsored a fat drive and added the proceeds to that of the operetta.

Grand Haven Football Team

BAGGOT, *Norm* — A junior who didn't see too much action this year but should receive plenty of consideration next year.

BEEBE, *Joe* — A hard fighting line man who was discharged from the armed forces just before school reopened in September.

BOEVE, *Ed* — Although one of the lightest men on the team, his pass-catching ability has been outstanding. Ed is a junior and will again see plenty of action next year.

COSIER, *Bob* — A senior and the heaviest man on the team. This was Bob's second year on the Varsity.

DEWEESE, *Bob* — A senior and a two-year lineman who proved his ability in every game.

DE WEESE, *Don* — A senior in his first and last year of high school football. He was always in there doing his best.

DE WITT, *Ken* — A three-year man and the best downfield blocker of the team. He played a hard game from his positions as end on offense and tackle on defense.

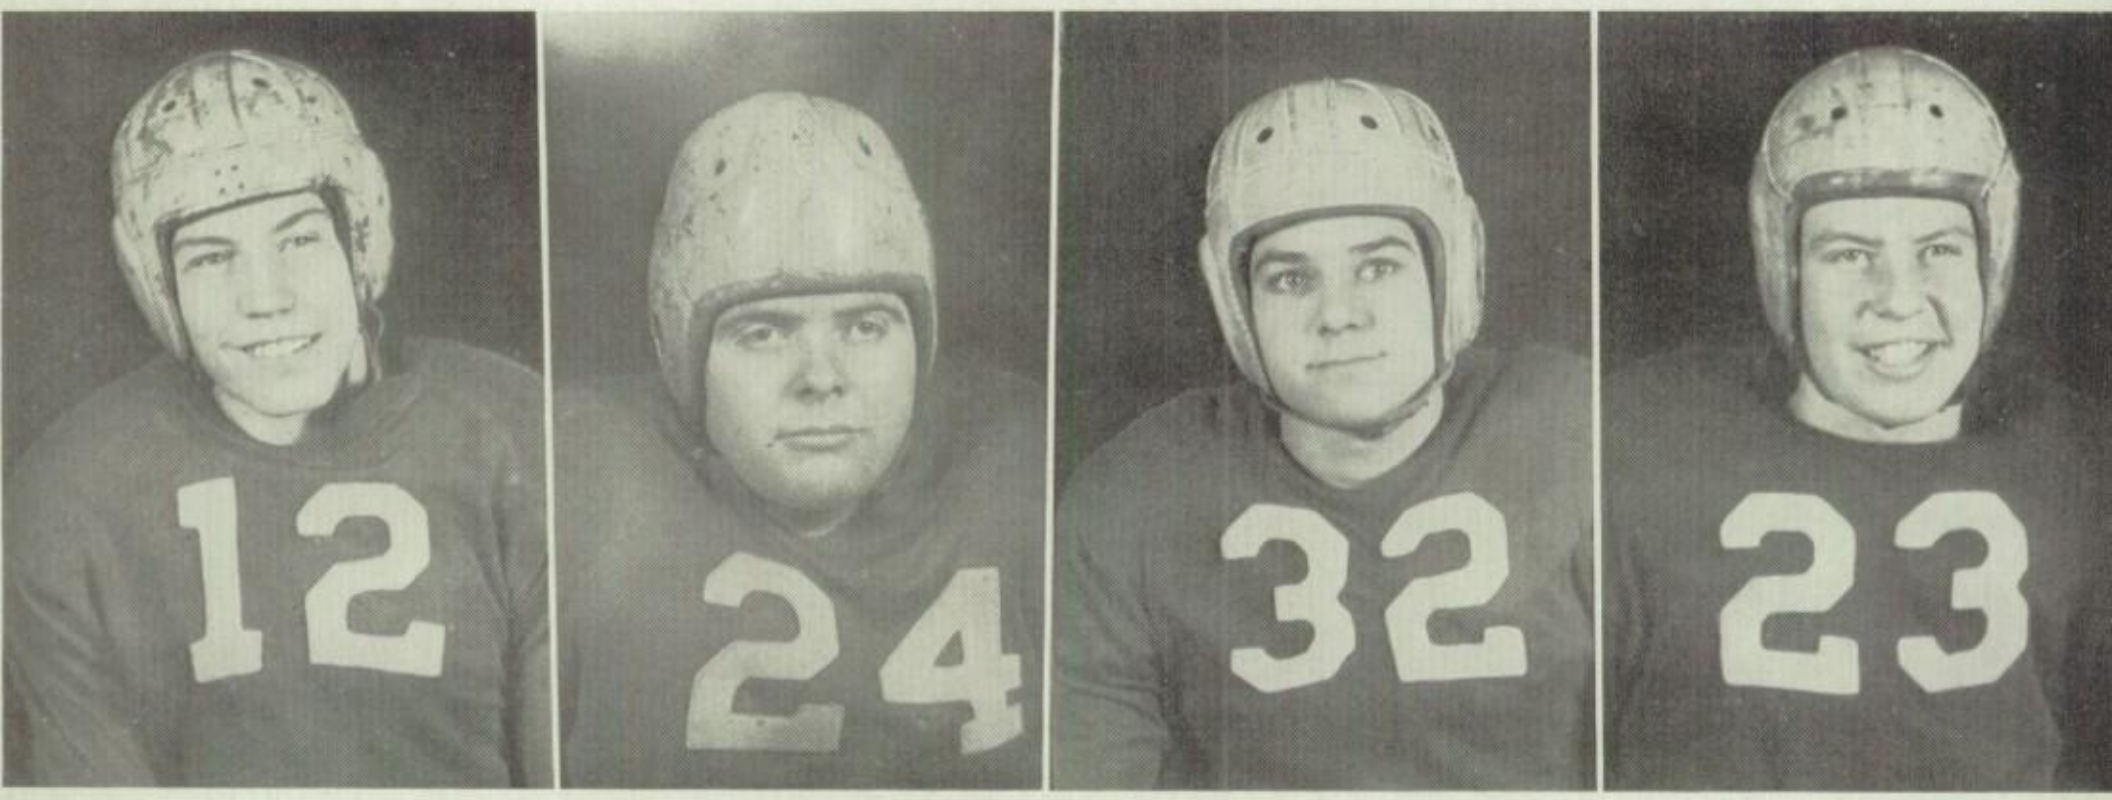
FRANCE, *Bob* — A hard-fighting, hard-charging, two-year man who will certainly prove to be a valuable asset to next year's team.

HALLOCK, *Dick* — A big boy who still has two years of competition ahead of him. He was taken from Coach Wiegerink's second team mid-way in the season.

JOHNSON, *Don* — A sophomore who saw action in almost every game and is sure to be in the starting line-up next year.

KRAUSE, *Harold* — A two year man who was named to the Southwest Conference Honor team and proved to be a tackle of exceptional ability. He also received honorable mention on the A. P. all State team.

Bottom Row: Norm Baggott, Bob Cosier, Joe Beebe, Bob Olsen.



Top Row: Harold Krause, Al VerBerkmoes, Ken DeWitt, Captain Jack Paterek.

MAIHOFFER, *Leo* — A senior and a quarterback who played his first and last year of Varsity football. He was a hard worker and saw action in most of the games.

OLSEN, *Bob* — A junior who saw quite a bit of action on the line during the season. He shows great promise for the coming year.

PATEREK, *Jack* — A three-year man, who was elected captain by his teammates at the beginning of the season. His fighting spirit and hard playing sparked the team all year.

PLOWMAN, *Jack* — A two-year man who was very capable in handling the difficult center position on offense.

RESCORLA, *Russ*—A sophomore who got his chance when Ver Duin was hurt in the first game. He proved his ability and remained in the starting backfield the rest of the season.

ROBERTS, *Jim* — Our dependable field-general is a two-year man and is expected to be going strong on the team next year.

TAYLOR, *Bob* — A junior who was one of the best defensive players on the team. He should be one of the main-stays of Coach Graybiel's team next year.

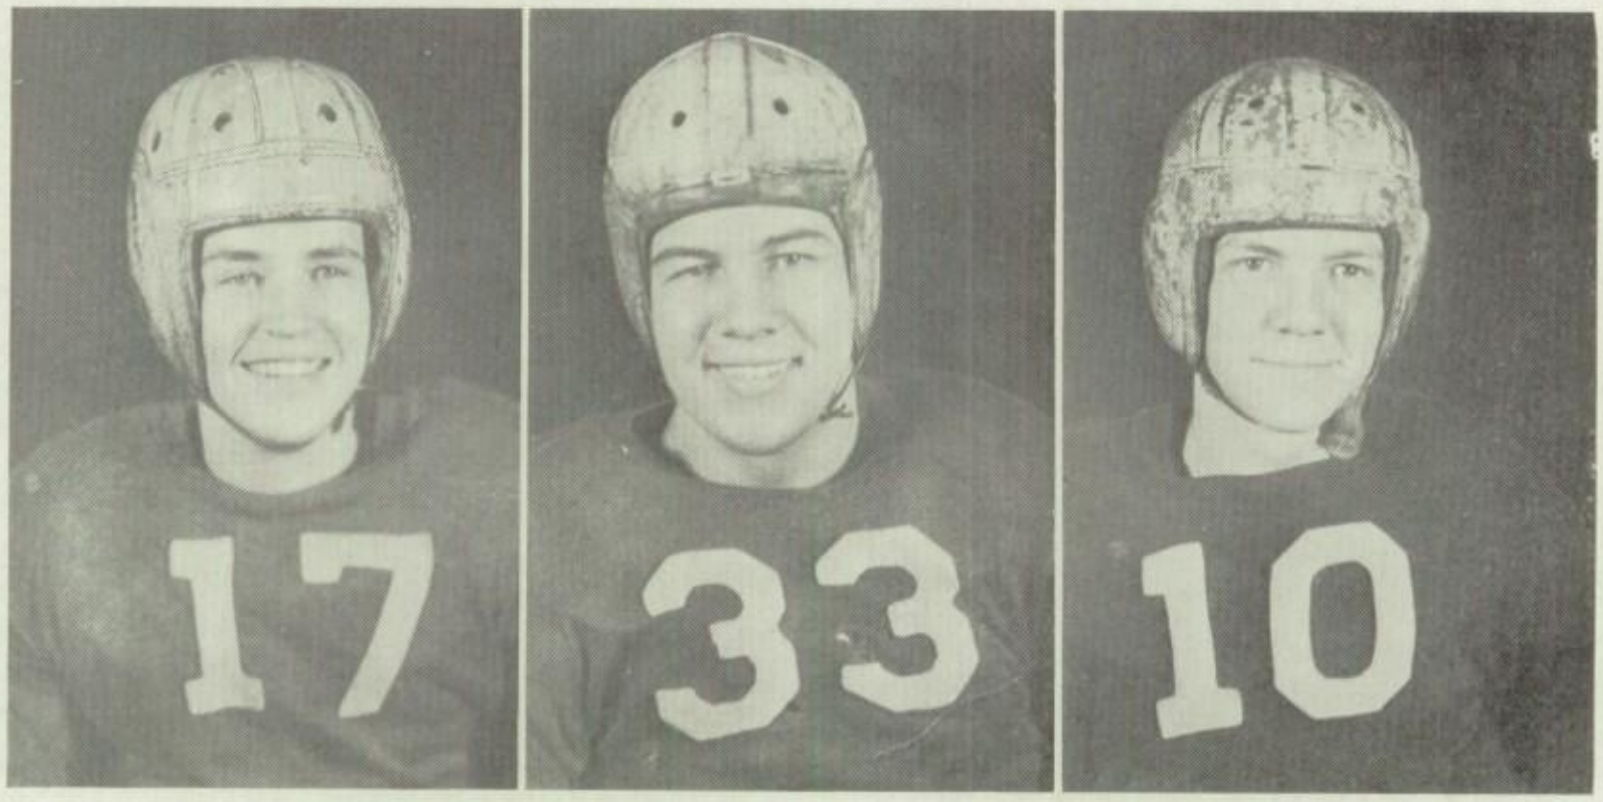
VER BERKMOES, *Al* — A hard charging fullback who returned to the gridiron after a few years in the service. When the Bucs needed that extra yard Al could always come through.

VER DUIN, *Jim* — Due to leg injuries Jim missed a few games this past season. He is a two-year man and is going to play again next fall, when he will again show Grand Haven his great running ability.

WAGNER, *George* — A sophomore, this guard proved to be fast and hard hitting. Although he saw little action, he undoubtedly will be heard from next year.

WESTERHOF, *Jack* — In his first year of football proved to be one of the most valuable members of the team. Because of his outstanding backfield performance he was named to the Southwest Conference Honor Team and also received honorable mention on the A. P. All-State team.

Bottom Row: Don DeWeese, Leo Maihofer, George Wagner, Coach Ed Graybiel.



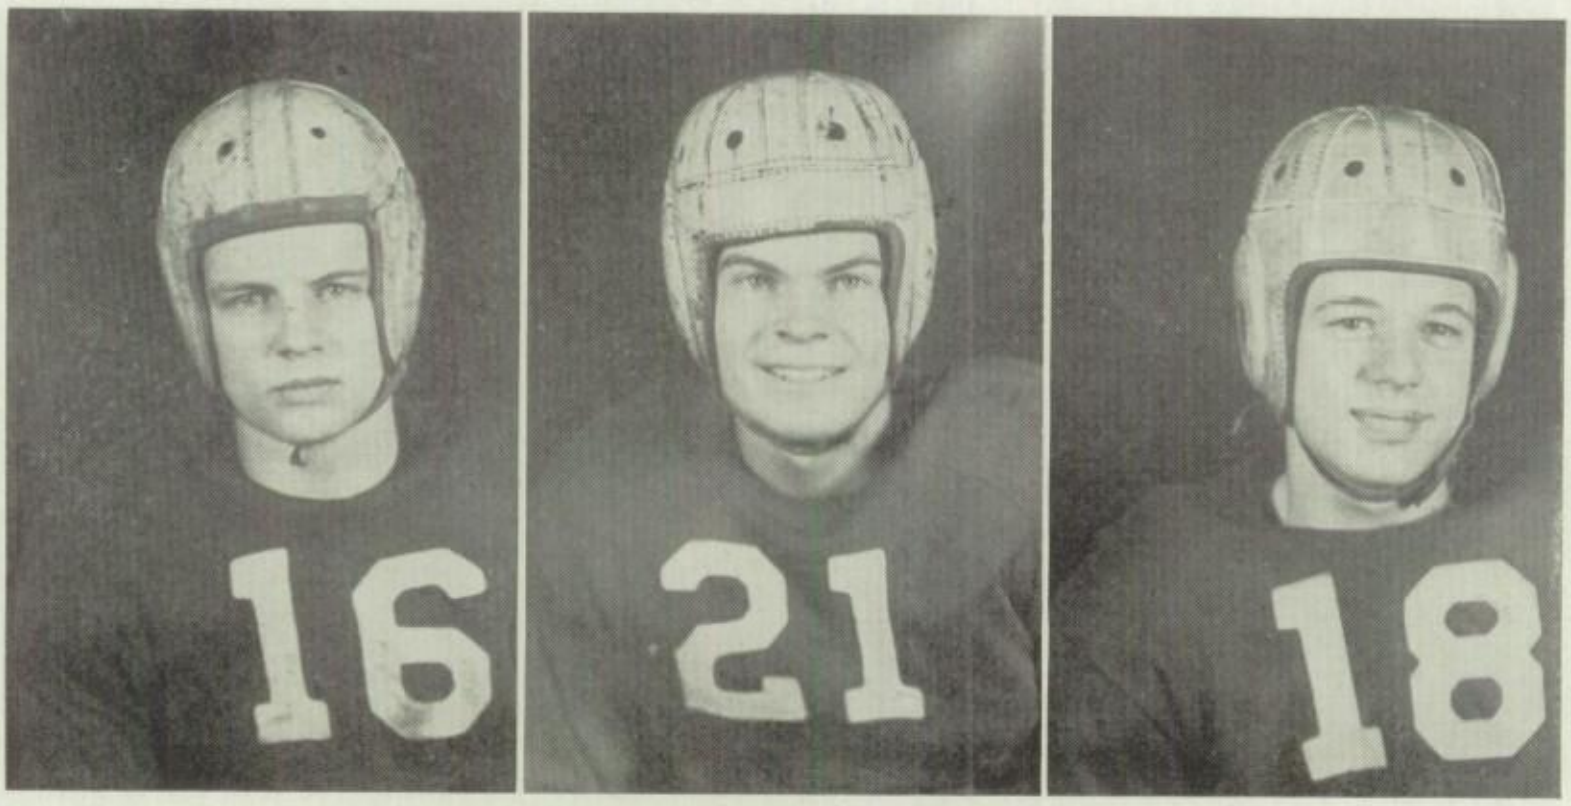
Top Row: Jack Plowman, Bob DeWeese, Don Johnson.

LUDINGTON

The opening game of the '46 season saw our Bucs romp to a 19 to 13 victory over a powerful Ludington team. The Ludington Orioles scored first. The Bucs then rolled down the field and Westerhof drove across the line to even the score. The kick that fol-

lowed proved to be good, giving Grand Haven a one point lead. At the beginning of the third quarter Westerhof again crashed over the goal line. The Orioles also scored and the score read 13 to 13 at the beginning of the fourth quarter. The last quarter saw another 6 points pushed across for the Bucs. This was the seventh consecutive year in which Grand Haven defeated the Ludington Orioles.

Bottom Row: Jim Roberts, Bob Taylor, Dick Hallock.



BENTON HARBOR

Almost 3000 fans watched the odds go against the Buccaneers as they played their first Southwest Conference game of the season. Four fumbles set up by the Bucs scored two touchdowns for Benton Harbor. The visitors fumbled on the 20 yard line and Ed Boeve recovered. After two more plays, Al Ver Berkmoes went over for Grand Haven's only touchdown. The final score was 19 to 7.

MUSKEGON

The largest crowd in Grand Haven's Gridiron History packed Green Hill Field to see the long-awaited Muskegon - Grand Haven football game. The Bucs played Muskegon on even terms until midway in the second quarter. Then, by taking advantage of several breaks, the Big Reds rolled up two touchdowns and the half ended with a score of 20 to 7. The third quarter saw another 7 points scored for Muskegon. The final score was 27 to 7.

KALAMAZOO CENTRAL

Completely outfought and outclassed by a hard-charging Kazoo Central team, the Buccaneers were defeated 26 to 0. Lacking drive and spirit, the local squad never advanced beyond their opponent's 25-yard line.

IONIA

Traveling to Ionia, the Blue and Gold Warriors, playing the first school in their class since the Ludington game, whipped a fighting Ionia eleven, 35 to 13. Led by the passing combination of Westerhof to Boeve and the outstanding running of Ver Duin and Rescorla, the Bucs defeated a team rated as the best Class B team in the state.

MUSKEGON HEIGHTS

Playing an outstanding defensive game, the Havenites held the state champions, the Muskegon Heights Tigers, to three touchdowns. Krause, on the line, and Roberts, in the backfield, turned in the best defensive play of the evening. On the last play of the game, Grand Haven scored its only touchdown on an eight yard aerial from Westerhof to Rescorla. Final score: Muskegon Heights 19, Grand Haven 6.

GRAND RAPIDS UNION

Meeting Union High on a rain soaked and muddy Green Hill field, the Bucs lost by a heart-breaking score of 6-0. Two downfield marches were halted at the Union five yard line. Although Union expected an easier game, they found themselves threatened throughout the entire contest. Somehow we feel that holding the big Class A team to a 6 point margin was a victory in itself.

KALAMAZOO STATE HIGH

In the last game at Green Hill Field the Buccaneers ran thru Kalamazoo in the last half to win 25 to 14. On the first play of the game, Jim Ver Duin raced 45 yards to the fifteen yard line, and after four more plays, scored. The kick for the extra point was not good. In the third quarter, the Bucs broke loose for two touchdowns in which Westerhof, Rescorla, and Ver Berkmoes alternated in carrying the ball. At the start of the fourth quarter, on a march of 62 yards, Rescorla went over from the seventeenth yard line for a touchdown. The rest of the game was played by subs, to prepare them for next year. During this time the State High team scored two touchdowns.

HOLLAND

Grand Haven lost an exciting game to Holland High in the last two minutes of play by a score of 14 to 7. Our fighting Bucs were the victims of an aerial blitz in the fourth quarter. Grand Haven's touchdown came on a 75 yard downfield march with Westerhof and Rescorla carrying the ball. Paterek and De Witt excelled on the line with their excellent defensive play.

Seated (left to right): Howard Groeneveld, Norman Baggott, Howard Skinner, Stuart Engel, Robert Lampson.
Standing (left to right): Russell Rescorla, Ed Boeve, Vernon Peters, Harold VanderZwaag, Eugene Yonker, Don Johnson, Coach Steve Sluka.

GRAND HAVEN vs. GRAND RAPIDS CENTRAL — In their first out-of-town contest, the Bucs lost to an accurate-shooting Grand Rapids team by a score of 41-31. Johnson was high point man with 12 and Baggott was not far behind with 9 points.

GRAND HAVEN vs. MUSKEGON HEIGHTS — The Bucs, in their first Southwest conference game, lost a rough and tumble contest to the Heights Tigers 38-21. The game was so rough that several players from each team were given early showers. Baggott made 11 of Grand Haven's 21 points.

GRAND HAVEN vs. HOLLAND — The tall Holland Dutchmen showed their State Championship form as they walloped the Buccaneers 62-30 on the local floor. Baggett was Grand Haven's only bright spot, scoring 20 points.

GRAND HAVEN vs. GREENVILLE — In a low scoring and loosely played contest the Blue and Gold warriors managed to eke out a narrow 26-25 decision over the class B Greenville quintet. Behind 10-9 at the half, the Bucs forged ahead in the closing minutes and managed to hold their one point lead until the final gun.

GRAND HAVEN vs. BENTON HARBOR — Travelling to Benton Harbor, the Blue and Gold warriors played a fast-breaking Benton Harbor team on even terms for 3 quarters. But in the fourth quarter the Buc's defense fell apart enabling the Tigers to roll in 22 points. The final score — Grand Haven 42, Benton Harbor 60. Boeve sparked the local attack with 11 points.

GRAND HAVEN vs. MUSKEGON — The tall and rangy Big Reds had things pretty much their own way as they handed the Havenites a 44-30 defeat. Baggott accounted for 12 of the Buc's 30 points.

GRAND HAVEN vs. KALAMAZOO CENTRAL — Taking an early lead which they never relinquished, the Maroon Giants handed the Bucs their fifth Southwest Conference defeat, 45-35. Baggott totaled 18 points to lead Grand Haven's attack.

GRAND HAVEN vs. MUSKEGON HEIGHTS — In their second encounter with the Heights Tigers the Bucs were again defeated, this time by a 39-25 score. Grand Haven's scoring was pretty well divided with Baggott on top with 7 points.

GRAND HAVEN vs. HOLLAND — Playing their best game of the season, the Havenites were barely edged out by the Dutchmen 55-52 on the slippery Holland floor. The Bucs were behind 46-37 at the end of the third quarter but turned on the heat in the fourth quarter to loop in 15 points. Baggott and Boeve with 16 and 15 points respectively led the Blue and Gold offense.

GRAND HAVEN vs. BENTON HARBOR — Scoring 19 points in the second quarter, the Benton Harbor Tigers went on to win 63-48. The local five played the taller Harborites on even terms for three quarters but the big lead piled up in the second quarter gave the Tigers their margin of victory. Baggott, Boeve, and Skinner took care of most of the Buc scoring.

GRAND HAVEN vs. MUSKEGON — Using their height to good advantage, the Big Reds downed the smaller fighting Blue and Gold quintet 49-30 on the local hardwood. Baggott and Boeve were again high scorers, each having 9 points.

GRAND HAVEN vs. KALAMAZOO CENTRAL — Playing in Western Michigan's big field-house, the Bucs were unable to find the hoop. Scoring only 12 points in the first half, the Havenites ended their cage season by going down in defeat to the Maroon Giants 49-34.

GRAND HAVEN vs. FREMONT — The Havenites were knocked out of the Class B District tourney by a fast and powerful Fremont quintet. Completely outclassed by the accurate shooting of the Fremont five, the Bucs played one of their poorest games of the season. The final score was 62-37.

BASEBALL

Over 40 boys responded to Coach Steve Sluka's call for candidates for the 1947 baseball team. Although practice was delayed a few weeks by bad weather, the team is gradually whipping into shape. With 5 regulars back from last year's winning team, Coach Sluka has hopes for another successful season, such as the one he had last year. Although the Buccaneers are, as yet, a little weak offensively, the hurling of four-year veteran Johnny Mahder and the excellent defensive play of the rest of the team should offset this weakness. The schedule for the 1947 baseball season is as follows:

TENNIS

The tennis team this year is made up of six returning letter men. They are Howie Groeneveld, Jack Paterek, Jack Plowman, Felix Pytlinske, Stan Stolarz, and Jim Roberts. These boys have played a lot of tennis and should be able to come through with a long record of wins.

The list of new candidates this year includes Bill Law, Ben Lowell, Gordon Klouw, Bud Masselink, Ralph TenHave, Midge VerPlank, and Bill Clink. These boys show signs of promise even at this early date. We feel assured that these players, because of hard work and excellent coaching, will make up a fine team, and that Grand Haven will keep up its reputation as having produced a winning tennis team each year.

THE CHEERLEADERS

The cheerleaders this year have done a fine job. They have been on hand for all the football and basketball games to strut their stuff. The cheerleaders were under the direction of Miss Babcock, who has helped them work out many new and different cheers.

INTRAMURAL BASKETBALL

The Reds won the High School intramural basketball championship this year by defeating the Indians 25-11 in the finals. There were six teams in the league and each team played 25 games. The season was broken into 5 rounds with 5 games per round. There were 41 players on the six teams that competed each week at the Ferry or High School gymns in games after school hours under the direction of Coach Steve Sluka.
